Dear Parents:

As you may recall, the District 27 Board of Education voted in December to suspend the District's summer school program for the summer of 2010. We will continue to offer classes for those students who are academically at risk by invitation. However, the enrichment classes have been suspended.

For those parents who want to enroll their students in summer enrichment classes this summer, you may do so in either District 28 or 30. District 27 students can register to attend classes at either Northbrook Junior High School or at Maple School.

Registration for classes in Northbrook School District 28 will begin on March 1. District 28 will offer four 55-minute sessions that run from 9 a.m. to 12:55 p.m. from June 21st through July 16th at Northbrook Junior High School, 1475 Maple Ave. The summer school brochures will be available on the District's Web site at ww1.northbrook28.net beginning February 22nd.

Summer school classes begin on June 14th in Northbrook/Glenview School District 30 and run through July 16th. District 30 will offer four 55-minute classes beginning at 8:30 a.m. and ending at 12:25 p.m. All classes will take place at Maple School, 2370 Shermer Road. Summer school brochures will be available in the beginning of March. A mail-in registration form is included in the brochures. Visit the District's Web site at www.district30.k12.il.us for updated information.

We would like to thank the administrators in both Districts 28 and 30 for opening up their summer school programs to our students. If you have any questions, please don't hesitate to call my office.

Respectfully,
