

27 BOARD BRIEFS

Northbrook School District 27 Board of Education Meeting
October and November, 2017

Board Approves Tentative Tax Levy

The District 27 Board of Education approved the tentative 2017 tax levy at the November 16th Board Meeting. The tax levy represents the 2016 Consumer Price Index (CPI) of 2.1% and an additional 1.5% for new and/or redeveloped property in the District. The total tax levy of 3.6% is an increase over the previous year's property tax extension for a total dollar amount of \$26,465,361.

Key financial assumptions providing the context for the recommendations include the District's equalized assessed valuation (property values), assessed valuation division by class, new property history, rate of inflation, and other economic factors that are impacting school funding.

District 27 continues to be in a strong financial position and remains one of the finest districts in the nation. This levy is one part of a conservative approach to financial planning that allows the District to maintain excellence while seeking to use the taxpayer dollars responsibly.

A public hearing on the 2017 tax levy will be held at 7 p.m. December 7th in the library at Wood Oaks Junior High School, 1250 Sanders Road.
